EXPERIENCE

Fundamental Analyst, FinCell, St. Xavier's College Mumbai — *Mumbai, India | Aug 2025 - Apr 2026*

- Conducted equity and industry research across multiple sectors using annual reports, financial statements, earnings call transcripts, and industry sources.
- Analysed company financials, business models, competitive positioning, and industry value chains to identify the drivers behind growth, earnings, and sector performance.
- Built DCF based valuation analyses and produced structured research reports, combining financial analysis with qualitative assessment of companies and markets.
- Examined industry catalysts, business risks, and sector dynamics to develop research questions and assess investment considerations.

Compliance Dept. Intern, Geojit Financial Services Ltd. — *Kochi, India | Apr 2025 - May 2025*

- Interpreted SEBI and NSE circulars and translated regulatory requirements into compliance calendars, SOPs, and internal policy documents across broking, advisory, and wealth management.
- Gained exposure to KYC, AML/CFT, risk management, investor grievance, internal audit, and compliance monitoring processes within a financial services environment.
- Prepared and reports and presentations for the chief compliance officer

Editor, The Arthniti (ISSN 2277-1344), St. Xavier's College Mumbai — *Mumbai, India | Sep 2024 - Apr 2025*

- Managed the end to end production of an ISSN recognised economics research journal, working with faculty, fellow editors, and external academic reviewers to maintain analytical rigor and publishable research prose.
- Mentored three student researchers on econometric research methodology, translating complex analysis into clear and legible written work.

Founder, Bandar Mifflin (Student Business) Mumbai — *Mumbai, India | Sep 2023 - Apr 2024*

- Founded a student business generating over Rs. 16,000 in revenue within a one-week window, managing pricing, order fulfilment, account management, and social media marketing and outreach.
- Drove sales acquisition through direct, in person customer interaction and social media marketing, building rapport and converting ambivalent prospects into paying customers.

Business Development Intern, Netpiper.com — *Dubai, UAE | Jun 2020 - Aug 2020*

- Conducted company and market research through LinkedIn and company databases to identify target organizations and decision makers against defined target profiles.
- Researched organizations and relevant decision makers using LinkedIn and company databases, maintained prospect lists, and contacted potential clients through cold calling.
